TEACHERS MUST QUALIFY

Santa Fe, June 2.—That every teacher who desires a position in Santa Fe county public schools must take instruction in manual training, domestic science and domestic art was the ultimatum laid down by County School Superintendent John V. Conway today at the opening of the county institute attended by 100 rural teachers. The opening exercises were enthusiastic and impressive and were attended by the officials of the department of education and a number of city teachers as well as visitors.

UNVEIL JEFFERSON STATUE

New York, June 2.—A portrait statue of Thomas Jefferson, a gift to the city from the late Joseph Pulitzer, was unveiled today in front of the School of Journalism of Columbia University. The unveiling formed a part of the commencement exercises at the school of which Mr. Pulitzer was the founder. The statue is the work of William Ordway Partridge and represents Jefferson as he appeared at the age of 58 years, when he was president of the United States.

POPE PIUS HAS A BIRTHDAY

Rome, June 2.—Addresses and telegrams from all parts of the world were received at the Vatican today congratulating Pope Pius on his seventy-ninth birthday anniversary. There was no celebration of the anniversary, but during the day the pope was visited by a number of cardinals and many of the foreign prelates who came to Rome for the consistory. This morning His Holiness said mass in the presence of a few specially invited of the faithful.

OFFICIALS GET SALARY

Santa Fe, June 2.—State officials were today paid 50 per cent of their May salaries and would have felt pretty blue about it, were it not for the fact that taxes are coming in so well for the second half of the fiscal year that all salaries will be paid in full next month, including the balance due on May salaries. Every other fund except the salary fund is overflowing and it is only the constitutional limitation.

MAINE FEDERATION OF LABOR

Waterville, Me., June 2.—Representatives of organized labor throughout the state of Maine were on hand at the opening here today of the annual convention of the State Federation of Labor. The sessions will continue several days, during which time the affairs of the federation will be reviewed and plans discussed for increasing the membership and extending the influence of the organization throughout the state.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.—Adv.

ANT Ads Are Best Market Finders

Classified ads search out the people to whom—among all those who MIGHT BUY—the particular thing is worth most.

That property you want to sell in MINUTE MANNER is someone who reads the ads. In this newspaper—and would never reach your property unless it were advertised here.

Others, who read and answer ads. In this newspaper what they are anxious to pay cash for? Books, automobiles, used machinery and furniture, articles of use almost of any sort, and musical instruments.

As the classified ads are read by all possible buyers, by all possible sorts of things, they have come to be known as the best market finders.
